

Logical Reasoning and Computational Thinking Program 2026-27

Dear Parents and Students,

This notice is for all students of **Freedom Valley School, Bardoli** registered for the Logical Reasoning and Computational Thinking Program 2026-27. This is a structured program that builds logical reasoning, problem-solving, and computational thinking skills through personalized ThinkSheets and assessments. The Zonal Assessment is an hour-long assessment and will be conducted as per the schedule below.

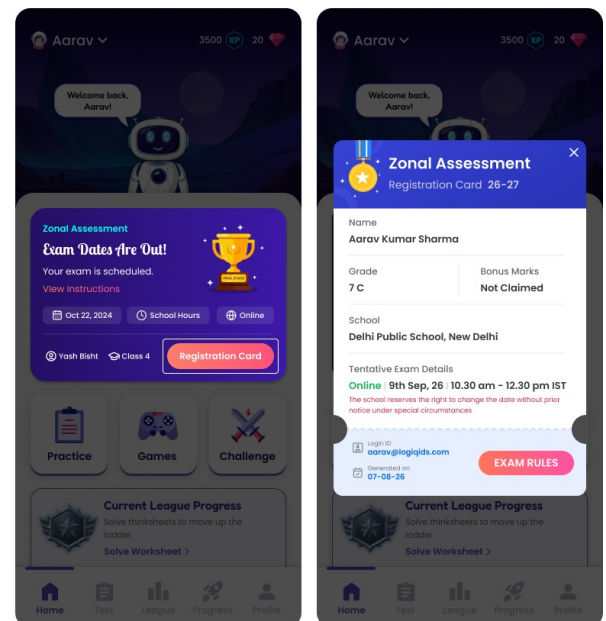

Exam Date & Mode:

Sr KG to Class 9 - 28th September 2026 (Offline in School)

Registration Card:

To double-check if you are logged into the right account, log in to your LogIQids account and click on the '**Registration Card**' to confirm the exam details.

If you do not see this button, Please drop a WhatsApp on [7045345345](https://wa.me/917045345345) with your name, grade and school name

Bonus Marks

Complete **20 free worksheets** before the test and **earn 20 bonus marks!**
Your total score (Assessment Marks + Bonus) will determine your rank

To access your worksheets [download the LogIQids App](#).

Assessment Scoring Breakdown:

- **Worksheet Bonus & Rankings:** Completing 20+ worksheets awards an extra 20 marks, which are combined with Assessment scores to calculate rankings.
- **Marking Scheme:** Normal questions fetch 4 marks per correct answer, while LQ Champs questions fetch 8 marks.
- **Negative Marking:** No negative marking for Sr. KG to Class 2; 25% negative marking for incorrect answers from Class 3 onwards.
- **Zonal Ranks:** Students receive geographically divided zonal ranks categorized across 5 zones (North, South, Central & Eastern, West, and International).

Note: To know more about the exam, click here ([assessment rules link](#))

Grades	Number of Questions	Marks for Assessment	Bonus Marks	Total Marks
Sr KG	25	120	20	140
Grade 1	30	144	20	164
Grade 2-12	35	168	20	188

Certificates & Results:

- Participants who secure a rank in the assessment will receive a hardcopy certificate **by LogIQids and Techfest IIT Bombay**. The top 10 Zonal rankers will receive a medal
- Get detailed benchmarking report for your child against 3.1 million students globally
- Top performers will have the opportunity to qualify for the international assessment, which is optional and chargeable where they will be competing against 3,500+ schools

We wish all participants the very best of luck!

For over a decade, LogIQids has helped students build logical reasoning and computational thinking skills, reaching **3,500+ schools and 3.1M+ students**. To know more, visit www.logiqids.com
