

Spread Joy This New Year with Your Child's Wishes!

Dear Parents,
Jay Hind!

As the year 2024 draws to a close, let us **welcome New Year 2025 with joy, creativity, and a shared sense of community.** At Freedom Valley School, it has become our beloved tradition to celebrate the season by encouraging our students to express their heartfelt wishes through beautiful 3x3 ft flex banners provided by the school.

These banners are more than just festive decorations — they are:

- ❖ A reflection of your child's positivity and creativity
- ❖ A way to bring smiles to your community
- ❖ A symbol of the strong bond we share as the Freedom Valley School Family
- ❖ The cost of the banner will be borne by the school.
