

Dear Parents,

Greetings from Vibrant School of Excellence family!!

We hope you and your family are safe and healthy as you read this letter. Thank you so much for your patience and understanding as we have been adjusting, like you, to the drastic changes in life during the last two months. We are extremely appreciative of our students, parents, teachers, principal and support staff for their positivity, flexibility and resilience during these trying times. .

We are resuming online teaching from 9th June 2020 onwards from STD Nursery to 12th. Our goal is to provide continuous educational opportunities and practice for students while schools are closed but also to eliminate as much stress as feasibly possible for students, parents, and teachers. While it is our responsibility to continue to educate our children, we also want to compassionately take into consideration the variety of difficulties that our families and employees are enduring during this time.

In closing, one of our main focus points for our educators and students during the 2020-2021 school year will be having a **“growth mindset.”** A growth mindset unlocks our ability to learn and grow especially during challenging times. Little did we know how important this growth mindset would be for all of us this year! Because of this experience and our growth mindset, we believe that we all will be stronger when we come out on the other side of the COVID-19 Pandemic! History is being written! We hold the pen! **Together, we will write the BEST story for our children!**

Please contact your teacher/s or Principal if you or your kids need support.

Stay strong! Stay healthy!

Serving you,

Management
