Respected Parents,

The COVID-19 crisis has changed our world in ways that we could not have imagined. As a school, our hearts are with our students, staff and community as we all come to terms with what the crisis means to each of us. As gradually the country is moving towards normalcy, parents are hereby informed that as per the latest Government Unlock instructions, the students will be allowed to attend Doubt Solving Sessions on a voluntary basis at school with prior approval and appointment. This will be subject to written consent of parents. Keeping the gravity of the circumstances in mind, students have to strictly follow and adhere to the given Norms.

- Physical distancing of at least 6 feet to be followed as far as feasible.
- Use of face covers/masks is mandatory.
- Hand washing with soap (for at least 40-60 seconds) even when hands are not visibly dirty. Use of alcohol-based hand sanitizers (for at least 20 seconds) can be done wherever feasible.
- Respiratory etiquettes to be strictly followed. This involves strict practice of covering one's mouth and nose while coughing/sneezing with a tissue/ handkerchief/flexed elbow and disposing off used tissues properly.
- Self-monitoring of health by all and reporting any illness at the earliest.
- Spitting is strictly prohibited.
- Rest room hygiene is to be followed.

Students can visit the school only for guidance adhering to all the norms set by the government. Parents also have to make sure that their ward follows the rules given above.
