Dear Parents,

Jay Hind !

"Practice the philosophy of continuous improvement. Get a little bit better every single day." - Brian Tracy.

Kindly give your authentic and genuine feedback as mentioned in this Google form. Your feedback plays an important role in catering better education to the students. Kindly fill this within 3 days, later on link will not be active. Your support and cooperation is always appreciated.

Please make sure this feedback form is filled by the parent only. Whatever Circulars / Notices / Assignments / HW / Projects are given on school app by the teachers are just for parents' reference and information. Students are not allowed to send any study work to teacher through mobile. Mobile can be used by parents to communicate with teachers (4 pm to 5 pm) regarding study concerns.

Teachers already provide them worksheets and study in their notebooks so they should complete and submit to teachers. We do not encourage mobile usage of the students to prevent them from mobile addiction.
