##### **1. Lighting of the Lamp**

The program commenced with the traditional lighting of the lamp.

##### **2. Welcome Address**

Mr. Pankaj Sharma(Principal Sir) welcomed all new parents and introduced the school's vision.

##### **3. Key Information Shared with Parents**

Attendance: Emphasis on the importance of regular school attendance.

Focus on Skills: Encouragement to prioritize skill development over mere academic marks.

Annual Events: Information about the annual function and Navratri celebrations held at the school.

Leadership Roles: Explanation of the selection process for head boy, head girl, and class monitors.

Additional Subjects: Introduction of three additional subjects for grades 6 to 8: Design Thinking, Financial Literacy, and Food Science, along with related sessions.

Entrepreneurship Education: Discussion on the significance of the Entrepreneurship subject offered in 11th grade.

Co-Curricular Activities (CCA): Overview of CCA activities and encouragement for student participation.

Hero Cards: Explanation of Hero Cards awarded for outstanding work in specific subjects.

Mobile-Free Initiative: Introduction of mobile-free cards for students who refrain from mobile usage during school hours.

School App Usage: Guidance for parents to utilize the school app for information and circulars.

Library Access: Importance of students borrowing books from the library.

Monthly Food Menu: Distribution of a monthly food menu to students and parents.

Problem Resolution: Encouragement for parents to address any issues directly with the school rather than holding onto concerns.

External Exams: Information about external exams like SOF, NELTAS, and TATA conducted at school to enhance student knowledge.

Participation in Competitions: Mention of student participation in Khel Mahakumbh and Kala Mahakumbh events.

Healthy Eating: Reminder for parents to send fruits with students for their fruit break.

Fee Payment: Emphasis on timely fee payments to ensure smooth school operations.

Transportation Policy: Reminder that bikes/cars should not be given to students.

Expert Contributions: Invitation for parents with expertise in any subject or activity to contact the school for potential collaboration.

#### **4. Teacher Introductions**

- All teachers introduced themselves to the parents.

#### Action Items

- Ensure parents are informed about using the school app effectively.
- Follow up with parents regarding any questions or concerns raised during the meeting.

Conclusion:

**Parents were asked to solve their doubts with concerned teachers and Meeting  
Adjourned at 11:00 a.m. IST**
