

IT Activity – Classes IX to XII

Dear Students,

This is to inform all students of **Classes IX to XII** that an **Information Technology Activity** will be conducted during the **regular class** on **Thursday, 30 July 2026**.

Participation is compulsory for all students. **Grades will be awarded based on your performance, creativity, content, and presentation.**

Class IX & X

Activity: Create a **PowerPoint Presentation (PPT)** of **4–5 slides** on **any one** of the following topics:

- Online Privacy
- Social Media Safety
- Digital Awareness

Class XI & XII

Activity: Create a **Poster** on the topic:
"AI – Friend or Foe?"

Instructions:

- Students may use the **Internet** to collect additional information and ideas.
- Ensure that your work is **original, creative, and informative**.
- Complete the activity within the allotted class time and follow the instructions given by your teacher.

Prepare well and participate enthusiastically.
